

**THIS IS YOUR CHANCE TO  
GET PAID  
TO SERVE YOUR COMMUNITY**

**JOIN THE NHC COMMONWEALTH CIVILIAN CORONAVIRUS CORPS (CCCC)  
TO HELP SOCIAL SERVICE AGENCIES REDUCE HEALTHCARE CHALLENGES**

**BROUGHT ON BY COVID-19.**

**As a NHC CCCC member you will serve with some of Northeastern Pennsylvania's most innovative non-profits as a trained Community Health Worker. You will gain hands-on experience in public health and vaccine support, help meet basic needs like food and healthcare in underserved communities impacted by COVID and explore careers in healthcare and public health.**

**Qualifications:**

- \*Knowledge of the communities in NEPA**
- \*Interest in learning more about community health, public health or social services**
- \*Self-starter**
- \*Communication skills**
- \*Desire to serve underserved communities**
- \*High School diploma or GED**
- \*18 years or older**
- \*Be a citizen, national, or lawful permanent resident of the United States**

**NHC CCCC members will earn:**

- \* \$15.00/hour stipend for a one-year service term (2000 hours).**
- \*Medical, dental and vision coverage, if needed.**
- \*Assistance with childcare, if eligible.**
- \*Access to the Supplemental Nutrition Assistance Program (SNAP), if eligible.**
- \*A \$6,345.00 Educational Award at the completion of the service year that can be paid to existing student loans or used for future educational opportunities.**
- \*Eligible to apply for the PA Community Health Worker Certification (CCHW) through the PA Certification Board.**
